Fresh Pork

All our fresh pork and sausages are from pigs that are outdoor bred. It doesn't matter if you have minutes or hours to spare, pork is a deliciously versatile meat. You can quickly grill some pork loin steaks, or flash fry a couple of pork chops. With more time on your hands, you can roast a shoulder or slow cook some pork belly in a rich, sticky sauce. Either way, you're guaranteed some quality produce.

Poultry & Game

Award Winning, Wholesome, Tasty Chicken. The Great Taste award winning standard, grain fed chickens are reared in light, airy barns with bales to perch on and toys to encourage their natural behaviour and to develop social interaction. They enjoy a nutritious diet using wheat grown by the Soanes family on their Yorkshire Wolds farms. The result of this welfare rich life is great-tasting, firm-textured, succulent chicken that tastes like chicken used to.
